

ITLS INTERNATIONAL TEACHERS FOR TOMORROW'S SCHOOL

SYSTEM CHANGE AS AN OPPORTUNITY FOR INTERCULTURAL
SCHOOL DEVELOPMENT AND MUTUAL LEARNING

Online Workshops

- for international teachers
- for teacher training students

May, 27th 2023

1 to 2:30 pm (UTC+2)

Workshop language: English

Both online workshops are part of the final workshop-conference of the project ITTS

How to promote professional integration of international teachers and the cultural diversity in schools

The Workshop-Conference is based on the work of the European project [ITTS – International Teachers for Tomorrow's School](#) that aims to support cultural diversity in schools and international teachers in a strength-oriented way. At the same time, it wants to support schools and the people working in schools to reflect on their understanding of culture and to foster school development in the migration society.

The conference will also include **two online workshops**, one for international teachers and one for teacher training students who cannot attend the face-to-face conference in Greece. Both workshops will be **via Zoom** and **the workshop language will be English. Registration will be open till April 21st 2023.**

Building bridges - how international teachers experience their re-entry into their job

Kristina Purrmann

Guided by experiences from the project "Lehrkräfte Plus" ("teachers plus"), a re-qualification project for international teachers with and without refugee background, the workshop addresses international teachers in different European countries. The workshop participants get the opportunity to exchange their experiences with their re-entry into the job as a teacher in an international context. All participants are invited to share their point of view and their personal coping strategies with possible challenges.

What can we learn from each other? – Intercultural teacher education and international experiences in teacher training education

Nadine Auner

The workshop will present how international experiences are incorporated into teacher training education at Bielefeld University and why international experiences are important for prospective teachers. Teacher training students from all ITTS-project countries are invited to share their experiences from their internships abroad and their international experiences.
